POOL PERMIT APPLICATION

NOTICE TO ALL APPLICANTS: This permit is issued on the basis of information furnished in this application. It is the responsibility of the applicant to know and abide by the provisions and requirements of the City of Oak Leaf Code of Ordinances and any other governing ordinances which must be complied with, whether or not stated herein. All ordinances can be found online. Inspections are required before, during and/or after completion of construction. **Pools must have a fence erected with a self closing gate before filling with water.** Please refer to building codes for more information.

FOUR (4) REQUIRED INSPECTIONS:

- » Review of plans
- » Rough-in: underground plumbing, electrical, pool location on lot, drainage, etc.
- » Deck and belly steel
- » Final: finished plumbing (water heater, etc.), electrical and safety barriers (fence, etc.)

NO SWIMMING IN POOL UNTIL FINAL INSPECTION HAS BEEN DONE!

FENCE AND DOOR ALARM REQUIREMENTS:

- Every outdoor swimming pool must be enclosed by a wall or fence not less than four (4) feet in height.
- All gates permitting entrance and exit to the pool area shall be equipped with a self-closing and self-latching device. The gate must be closed at all times in order to prevent the inadvertent wandering into the pool.
- All doors permitting entrance to the pool area shall be equipped with an alarm.

I understand the Step by Step Pool Inspection Process. I also understand the possible addition of a \$50.00 fee and agree to pay if required.
